

The Women of Wayne  
cordially invite you to.....

Take a walk into history with this guided tour of ten first-floor rooms in the oldest surviving manor home in metro Detroit. See centuries-old tapestries, hand-carved woodworking, English Arts and Crafts-style antiques and more with this insightful and informed look at the home of Cranbrook's founders, George and Ellen Booth. Tour lasts approximately 75 minutes. Then stay and join us for lunch in the House. Lunch includes an Asian salad, with or without chicken, bread, dessert and a beverage. The Gardens are open after for anyone that is interested in exploring the 40 acres of colorful, scented blooms and ornate greenery, side-by-side with exquisite fountains and sculpture.
