WORKSHOP DETAILS

This interactive workshop will help you:

- Learn new and effective ways to land a job
- Develop results-oriented job search strategies
- Identify your personal strengths, weaknesses, opportunities and threats (SWOT analysis)
- Evaluate the "health" of your career
- Identify your priorities
- Design your next ideal position
- Develop a personal marketing strategy
- Develop an effective personal presentation and 30-second "commercial"
- Design a networking strategy

\$10 for Wayne State University Alumni Association members

\$15 for non-members and guests

*Free for currently enrolled Wayne State University students
and graduates from the School of Business Administration.*

All guests will receive a copy of "YES! You Can Land A Job...(Even) in a Crummy Economy"
